Dear Sadavarte,

You are aware of the recent salary appraisal/changes in the levels being planned. New levels and corresponding titles are being introduced and you, along with all other employees, will be placed in the new set.

We are pleased to inform you that your salary has been increased by **Rs. 10,000 per month**, positioned at **Software Developer**. Your employment records are being updated to reflect the same. Kindly note that salary appraisal/fitment is a function of a direct one-on-one change for all employees. This is based on an individual evaluation, which was done in the appraisal process.

Your revised Cost to Company (CTC) will be Rs. 720,000 per annum.

This increment will be effective from **20 March 2026** , i.e., starting from next month.

There is no change in your employment status and the terms and condition of your employment and policies of the company governing it.
